NEWSLETTER OF THE MARTIN COUNTY BAR ASSOCIATION

## PROFESSIONALISM AT ITS BEST!

At the MCBA luncheon in March, Stuart attorney **Lance Richard** and his legal assistant **Kelley Fields** were honored by Jensen Beach resident Mary McHale Paige for their "Good Samaritan" assistance to Mary when she fell near the Martin County Court House in late February. Lance and Kelley helped Mary to her feet, took her to the hospital emergency room, and stayed with her while her broken wrist was set.

They also took Mary home afterwards and made sure she was settled, and picked up her prescriptions from a local pharmacy. They have continued to check in on Mary to ensure she's okay.

Mary wanted to pay tribute to the kindness of Lance and Kelley in front of their colleagues and chose the Martin County Bar Association monthly luncheon as the perfect venue.

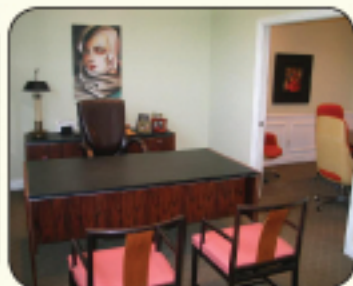

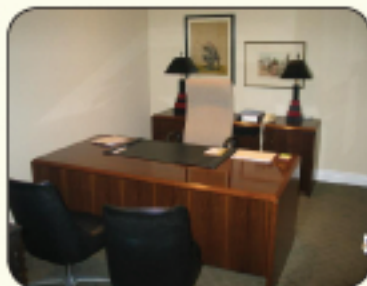

Mary is the mother of Michael McHale, a well known local attorney and friend of many in the Martin County Bar Association, who died suddenly in November 2008.
